

Dear Colleagues

The Pain & Policy Studies Group would like to call your attention to materials it prepared for the 2nd Global Summit for Hospice and Palliative Care Associations and the 6th Asia Pacific Hospice Conference held recently in Seoul, Korea. The following materials can be found at <http://www.medsch.wisc.edu/painpolicy/internat/conferences.htm>:

- 1) Selected Resources about Opioid Availability (monograph),
- 2) Resources for Addressing Barriers to Pain Relief in the World, and
- 3) individual graphs of morphine consumption for the participating countries, including
