

Dear Colleagues,

There are now **21 translations** of the 2000 World Health Organization guidelines document, “Achieving Balance in National Opioids Control Policy,” available on the Pain & Policy Studies Group’s public access website. Seven new translations have been added, including:

- Arabic
- Chinese
- Hindi
- Indonesian
- Portuguese
- Swahili
- Tagalog

All 21 translations can be found at

<http://www.medsch.wisc.edu/painpolicy/publicat/00whoabi/00whoabi.htm>.

Our sincere thanks to Willem Scholten, PharmD, MPA, Technical Officer of the World Health Organization’s Department of Medicines Policy and Standards for his support and assistance in obtaining these translations.
