

A Georgian translation of the 2000 World Health Organization guidelines, “Achieving Balance in National Opioids Control Policy” is now available through the Pain & Policy Studies Group website. These guidelines, available in 23 languages (Arabic, Bulgarian, Chinese, English, French, Georgian, German, Hindi, Indonesian, Italian, Lithuanian, Mongolian, Polish, Portuguese, Romanian, Russian, Serbian, Spanish, Swahili, Tagalog, Turkish, Ukrainian and Vietnamese), can be found at <http://www.painpolicy.wisc.edu/publicat/00whoabi/00whoabi.htm>.

We are grateful to the Georgian Palliative Care Association Humanists Union for their translation and provision of this document.
